

Patent  
Attorney Docket: LYNN/0096

**REMARKS**

The Examiner has required Applicant to elect a set of claims for prosecution on the merits under 35 U.S.C. 121.

First, Applicant believes that there were 43 original claims. Accordingly, it appears that Group II should include claims 29-42 and that claim 43 is directed to Group III. Therefore, Applicant elects to prosecute the invention of Group I, claims 1-28, directed to a method of operating a refrigeration system. Applicant withdraws claims 29-43 from consideration.

In the event there are additional charges in connection with the filing of this Response, the Commissioner is hereby authorized to charge the Deposit Account No. 50-0714/LYNN/0096 of the firm of the below-signed attorney in the amount of any necessary fee.

Respectfully submitted,

Jeffrey L. Streets  
Attorney for Applicant
